

YOUR EVENT IS NOW YEAR AROUND

We're now presenting this event year around via our new 360 degree interactive HD virtual presentation with HD video and Social Web marketing. It's your 360 virtual event year around!

360 VIRTUAL EVENT ALERT!

Greater Olean Inc., [Amazing Aerial Photos.com](http://AmazingAerialPhotos.com) and i360views.com is going to keep this event running year around. Our event may only be a few days long for those who can attend but what about those who couldn't attend? Or maybe you attended and want to see what you missed.

AmazingAerialPhotos.com and i360Views.com in conjunction with Greater Olean Area Chamber of Commerce have a new idea to turn this event into a year around presentation to where people can visit this show in a unique high resolution 360 degree interactive web presentation throughout the year. Visitors can see the show, interact with the event and go directly to the vendor websites from within this presentation.

We'll have HD videos of our sponsoring guests, along with discussions of participated vendors explaining their products and services. It's your chance to go virtual plus much more!

FROM THE CHAMBER OFFICE

"We are striving to help our community grow" said Meme, COO of the Greater Olean Chamber of Commerce. "We think it's important in this economy to find ways to increase business exposure and keep this event going long after the event is over".

Michael Kintner owner of AmazingAerialPhotos.com and i360Views.com has put together a very unique HD 360 interactive virtual presentation that will allow us to interact with our event throughout the year presenting a chance for those who couldn't attend the event the ability to see what our show is all about. More importantly it gives our vendors additional exposure to showcase their products and services and viewers a chance to see it all year around.

Aerial Tours Coupled into Ground Tours. 360 degree interactive events to where you can pan, tilt, zoom and move around inside of our event. You can click the vendors booth and jump to their website, watch High Definition video interviews and see each vendors showcase their own products and services. Each vendor attending can also add this virtual presentation on their own website to show their support to our local community as well as their business at the event.

Imagine going to the Olean Home Show 24 hours a day, 7 days a week, 365 days throughout the year. Watching HD Video, interacting with the event and checking on those areas that you missed! Better yet, being able to click on the vendor's booth, see inside their booth and then jump directly to the vendor's web site, year around.

HOW DOES IT WORK?

The Greater Olean Chamber will add all the vendors to the event list and each vendor will be able to showcase the tour on their website. The virtual show will be setup on four other web sites and six social media sites to increase web exposure and sponsorship. These services have been donated by Greater Olean Chamber. Additional options can be purchased to increase vendor visibility such as HD video interviews, close up panoramas and web site links with photos. See small example above and prices below:

- Internal Web Site Link to vendors site with Booth Photo and description: \$150
- Close up HD 360 virtual booth presentation linked into main panoramic presentation with Booth Photo and description: \$250
- HD Video discussing your products and services with Booth Photo and description: \$350
 - Full Package which includes everything above (Internal Web Site Link, Personal HD 360 Panorama and HD video): \$550 (\$200 savings)

**All Greater Olean Chamber Members
get \$50 off these prices!!!**

Description includes Company Contact Details, link to Facebook and/or website, email and phone number. Appointments are setup ahead of time for interviews, video, photos and contact details.

Additional marketing will be marketed via the Chamber Newsletter, Newspaper and other sources year around for your best exposure. What a great way to promote you and your event!

Call or [email](mailto:meme@oleanny.com) us today at (716) 372-4433 to schedule your personal 360 web interview.
